## Simutron - Cookie Policy

### Websites

#### Disclaimer

This policy, its attachments, and any rights attaching hereto are, unless the context clearly indicates otherwise, the property of Simutron. It is confidential, private, and intended for the addressee only, and may only be used by the addressee for the particular purpose for which the policy has been requested. The addressee shall furthermore treat all personal information that comes to its knowledge or into its possession as confidential and shall not disclose it without the consent of Simutron.

Simutron accepts no liability whatsoever for any loss or damages, whatsoever and howsoever incurred or suffered, resulting or arising from the use of the information in the policy or its attachments.

**Document Name:** Simutron – Cookie Policy

**Revision Date:** 22 June 2022

**Version:** 1.0

## **Overview**

Simutron committed itself to the development of safe policies and practices; in this regard, this policy is also implemented. This policy enables Simutron to keep a count of visits to the websites as well as the traffic sources, and to improve the functioning of the Simutron websites. These webcookies help inform Simutron of which web pages are the most popular and let them see what way visitors explore the websites. All the information collected by these webcookies is provided as averages and remains anonymous for that reason. The policy applies to all Simutron websites.

## **Policy**

The website uses web cookies placed on the visitor's device or computer so that the website can provide a better user experience. In general, cookies are used for the following purposes: capturing user preferences and preserving information for applications such as providing anonymously made tracking data to third-party applications such as Google Analytics. As a rule, cookies will improve your web experience as a user. However, you may choose to turn off cookies for these sites or for any other websites. The most effective way to do this is to turn cookies off in your web browser or search engine. We advise you to use the help function of your web browser for this or to visit the About Cookies website where you will receive guidance for cookie preferences for all modern web browsers.
